## THE BONE TREE (HARDBACK)

William Morrow Company, United States, 2015. Hardback. Book Condition: New. 230 x 154 mm. Language: English . Brand New Book. #1 New York Times bestselling author Greg Iles continues the electrifying story he began in his smashing New York Times bestseller Natchez Burning with this highly anticipated second volume in an epic trilogy of blood and race, family and justice. Southern prosecutor Penn Cage is caught in the darkest maelstrom of his life. The heartbreaking but seemingly straightforward death of his father's African-American nurse, Viola Turner, has fractured Penn's family and turned Dr. Tom Cage into a fugitive from justice. And in the search for his father and his reasons for running, Penn has unwittingly started a war with a violent offshoot of the KKK, the Double Eagles, whose members seem to know much more about Tom's past than Penn or his mother ever did. FBI special agent John Kaiser sees Tom Cage as the key to closing not only countless civil rights murders, but also the ultimate cold case: the assassination of President John F. Kennedy. Penn's fiancée, journalist Caitlin Masters, is chasing the biggest story of her career and believes Tom can lead her to evidence of America's most secret, shameful history. In the end, all roads will lead to the mysterious Bone Tree, a legendary killing site that may conceal far more than the remains of the forgotten. Penn now knows that the death of Viola Turner is a door to the...
