Now shielded by law as an endangered species, they reawaken an ancient hatred that will tear a family, and ultimately the town, apart.At the center of the storm is Helen Ross, a twenty-nine-year-old wolf biologist sent alone into this remote and hostile place to protect the wolves from those who seek to destroy them. The Loop charts her struggle, and her dangerous love affair with the son of her most powerful opponent, the brutal and charismatic rancher Buck Calder. A haunting exploration of man's conflict with nature and the wild within himself, an epic story of deadly passions and redemptive love set against the grandeur of the American West,
