America Star Books, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A man, just like any other, stays somewhere on a street, on a terrace, at home, or at a campsite. You should be able to see everyday life with a wink because humor is everywhere and is always lurking. A Bunch of People carries a motley collection of human experiences wherein a short fuse is put into perspective. This is a book for the young and old and it aims to make you happier. It doesn't talk about important people and issues but the ordinary man. Istvan A. Koning is a storyteller by nature. He has composed numerous Dutch songs, nursery rhymes, and has written children's musicals. Istvan has also exhibited his drawings and paintings titled Chantant 3, which filled the theaters. To date, he writes short and long stories, poems, and essays. Being a philosopher-artist, science challenges him when he writes about the soul, spirit, and matter. He expresses his ideas in a very airy and accessible language.
