STILL ALICE

To read **Still Alice** PDF, remember to click the button listed below and save the file or have accessibility to additional information that are in conjunction with STILL ALICE ebook.

POCKET BOOKS, United States, 2014. Paperback. Book Condition: New. Media Tie-In ed.. 170 x 104 mm. Language: English . Brand New Book. In Lisa Genova's extraordinary New York Times bestselling novel, an accomplished professor diagnosed with Alzheimer's disease learns that her worth is comprised of more than her ability to remember. Now a major motion picture from Sony Pictures Classics starring Julianne Moore, Alec Baldwin, Kate Bosworth, and Kristen Stewart! Look for Lisa Genova's next novel Inside the O'Briens. Alice Howland is proud of the life she worked so hard to build. At fifty years old, she's a cognitive psychology professor at Harvard and a world-renowned expert in linguistics with a successful husband and three grown children. When she becomes increasingly disoriented and forgetful, a tragic diagnosis changes her life and her relationship with her family and the world forever. At once beautiful and terrifying, *Still Alice* is a moving and vivid depiction of life with early-onset Alzheimer's disease that is as compelling as *A Beautiful Mind* and as unforgettable as *Ordinary People*.
