White Whisker Books. Paperback. Book Condition: New. Paperback. 262 pages. Dimensions: 8.9in. x 6.4in. x 1.0in. Highly recommended! - Midwest Book Review The book is a hilarious read! - BookGeeks (UK) Laugh-out-loud funny! - NY Times bestselling author Darcie Chan Love At Absolute Zero is a comic romance about Gunnar Gunderson, a 32-year-old star physicist at the University of Wisconsin who's determined to meet his soul mate within three days using the Scientific Method. As he channels his inner salmon for speed dating, he accidentally steps on the toes of a visiting Danish schoolteacher--and his life turns upside down. Watching Gunnar and his band of nerds apply the scientific method to romance will keep you laughing and deliciously engaged, says author Lynn Hightower (HIGH WATER, FORTUNES OF THE DEAD). Gunnar negotiates the puzzling world of women who are just not that into him. Finally, the shoe is on the other foot. Refreshing, delightful, and unique. As if Einstein didn't struggle hard enough failing at a unified field theory, says Philip Persinger, author of DO THE MATH, Meeks ups the ante by tossing philosophy, anthropology, hashish and love (with a capital L) into the mix. And while we're so sorry, Uncle Albert, in Love At Absolute Zero, Meeks succeeds absolutely. I've read both of Meeks's short story collections and The Brightest Moon of the Century, says author Kevin Gerard (CONOR AND THE CROSSWORLDS). I roared through Love At Absolute Zero in a day and a half. Meeks's prose is carefully crafted, his characters compelling and entertaining. I love everything he writes, and I recommend Love At Absolute Zero without reservation. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
