Kensington Publishing. Paperback / softback. Book Condition: new. BRAND NEW, Ordeal of the Mountain Man, William W Johnstone, The Wyoming tinderbox of Muddy Gap is feeling none too friendly ever since the Grubbs gang tore through on a hellraising rampage. And it's far from over. Because what the vicious Utah Jack Grubbs would really kill for just rode into town: Smoke Jensen. and a small fortune in rawhide. Smoke needed a break from driving a herd of remounts north when he showed up in Muddy Gap. Now, he's on the run again, headed for the Montana wilds - with Grubbs and his men shadowing his trail. As if that wasn't trouble enough, Chief Iron Claw's bloodthirsty Cheyenne Warriors have just appeared on the horizon. It isn't long before a war between the white man's greed and the red man's savagery turns the peaceful Bighorn Mountains into a simmering powderkeg. Caught in the middle - with no way out - Smoke Jensen is just the man to set off the explosion.
