Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book (booklet) will give the reader the facts to answer the questions: Is Islam a religion of peace or terror? Is Obama a Commander In-Chief or Commander In-Cheat? Is Obama leading or misleading the people? It is written for busy intelligent people with limited time to read. I explained the Third World War, and tried to show how the Fourth World War should be fought. I am making this book an academic study, by stating the facts with some clarifications whenever possible. I avoided stating my opinion as much as...
