

Anti-Christian Socialism (Classic Reprint)

By Cyprian Leycester Drawbridge

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Anti-Christian Socialism In these democratic days, we are very interested in the widespread unrest of the masses, and a good deal is being written upon the subject just now. The following pages deal with but one aspect only of the subject - the prevalence of the atheistic element in Socialism. I do not wish to express any opinion, in this book, either upon the merits or upon the demerits of the various economic, social, or political ideals of Socialism. I intend merely to speak of the prevalence of the atheistic element in Socialism. Further, I have no wish to imply that the ideals of Socialism tend necessarily towards atheism. I am merely concerned with the fact that very many Socialists are atheists, and that these maintain that Socialists, in order to be consistent, must be atheists and materialists. Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- **Mr. Grant Stanton PhD**

A whole new eBook with an all new standpoint. It is actually rally fascinating throgh reading throuh time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).
