As he would say: If the vertebrae are jammed or calcified together or not in the correct place as God has created, the nerves with authority over particular organs and tissues are inhibited, resulting in pain or confusion and disorder. This makes people concentrate on their particular ailment and pursue that, rather than allowing their minds to be free and at peace. That is, not allowing them to see the whole picture. It is a total degeneration of the human race over thousands of years. - Author, Robyn Berkeley - - - - - This book has been many years in the making, and I have longed for it, because I knew Eric McNally and his remarkable story - and I saw first-hand how knowing Eric changed Robyn.
