John Wiley & Sons Inc. Hardback. Book Condition: new. BRAND NEW, Unnatural Leadership: Going Against Intuition and Experience to Develop Ten New Leadership Instincts, David L. Dotlich, Peter C. Cauro, Written by David Dotlich and Peter Cairo-- two of the country's top executive coaches and educators-- Unnatural Leadership debunks the common notion of the natural leader as a flawless figure. The book describes the truth about being a real leader in a business environment turned upside down by e-commerce, diversity, security concerns, globalization, and matrix structures. Drawing on personal experience working with successful leaders in top-tier companies throughout the world, Dotlich and Cairo identify a style of leadership used by those who succeed in complicated business and people situations, a style that maximizes a leader's strengths and acknowledges weaknesses.
