Not illustrated. 1887 Excerpt: .business man, whose study of political economy has been primarily based on the observation of events, guided by the principles which have been laid down by Adam Smith and a few great masters--with the use of other books and current treatises merely as secondary aids to reflection--it seems a very mistaken way to discuss bimetallism as a theory, when bimetallism exists de-facto in almost every country which has any coin of any kind in circulation, and w hen it can be observed in a l its bearings. It also seems to be rather a waste of time to discuss either the alleged or prospective demonetization of silver by England, Germany, or auy other nation, when silver has not beeu and can not be demonetized or deprived of its function as a-iuoney metal any where; or when the very conception of doing away with silver money is almost unthinkable, so universal is its use. Is not the silver coin which is in your pocket and in mine at this moment money--according to any meaning or definition of that word which has yet been given to it t In the vast majority, in point of number, of every day s bargains or sales, does not silver money do a part or the whole of the work f It is only when one attempts to pay a debt previously incurred, say of one hundred pounds, by offering two thousand silver shillings, that ho may find that silver coin fails...
