

China's Lost Decade: Cultural Politics and Poetics 1978-1990 in Place of History

By Gregory B Lee

Zephyr Press (AZ), United States, 2012. Paperback. Book Condition: New. Revised ed.. 208 x 140 mm. Language: English . Brand New Book. The period in China's recent history between the death of Mao and the debacle of 1989 can be seen as a long decade, but also historically as a lost decade. It is lost in the sense that the political engagement of intellectuals and makers of culture was erased by China's official history makers; it is also lost in that its memory has been abandoned even by many who lived through it; lost also in the embarrassed silence of those who prefer to focus on the subsequent economic miracle of the 1990s that gave rise to today's more prosperous China; and lost as a time of opportunity for cultural and political change that ultimately did not happen. The relevance of the lost decade to China's living, if untold, history was once more made clear by the conferral of the 2010 Nobel Peace Prize on Liu Xiaobo, a political activist since 1989, and by the awarding of the 2010 Neustadt literature prize to the poet Duoduo whose poetry and personal trajectory loom large in Gregory B....
