Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Let me start by asking you a few questions. Are you at your perfect healthy weight range? If not, does this make you feel down? Maybe even make you sad. Does it seem like you've tried everything in your power to halt the weight gain, and yet, despite your best intentions, you're still plagued with: Not knowing why weight seems to mysteriously appear on the scales Not recognizing the amount of food you are putting in your mouth Not knowing how to control your eating when bored, sad or upset If this describes you, then you are in luck today. First, you are NOT alone! It may seem like it sometimes, but not knowing why you reach for yummy food in the cupboard without being hungry or eating when sad is far more common than you'd think. I ought to know, because I've been in the same spot before. If you or a loved one is suffering with gaining weight through unconscious eating and are looking for the solution to finally end the cycle you've come to the right place! Introducing: Stop Emotional Eating! - An Introductory Guide to Learning the Causes of and Ending Emotional Eating Forever! Emotional overeating is almost a joke in our society - movies, TV shows, and the resulting stereotypes cause many of us to laugh about how much ice cream it takes to get over a boyfriend, or how much chocolate we need to overcome rejection. But for those who actually suffer from emotional overeating, it's anything but funny. This powerful guide will provide you with everything you need to finally overcome this sometimes...
