America Star Books, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I, like the rest of the world, have heard countless stories about children being kidnapped. These stories are on the news and in the newspapers. I had often wondered how someone could go through something like this and not hate the person who had committed this type of a crime. As I recounted the many trials that I personally had gone through in my life, I remembered that I was never alone as I went through them. God was with me! He has given me peace, strength, and the ability to forgive. I would like for people to know that God will help them, too! It doesn't matter if your troubles are small or large, He will be there to help you overcome them if you will only ask. My prayer for humanity is that we would all desire to have a relationship with Father God. If we all tried to follow His plan for walking in love with one another, we wouldn't have people crying because they lost their child through a selfish and cruel act.
