DISEASES OF THE SKIN: THEIR CONSTITUTIONAL NATURE & HOMEOPATHIC CURE

B Jain Publishers Pvt Ltd. Paperback. Book Condition: new. BRAND NEW, Diseases of the Skin: Their Constitutional Nature & Homeopathic Cure, J. Compton Burnett, This book focuses on the constitutional approach to the treatment of skin diseases as these are, like any other disease, a manifestation of the dynamically deranged life principle and not local conditions which can be excised or cured by topical applications as is the current trend in modern medicine. The book has been divided into three separate sections for the convenience of reading: the first part dealing with effect of suppression in skin diseases; the second part containing case records with dosage and follow-up and the third part offers a discussion on the constitutional cure of alopecia areata with case records to guide through its management. A must read for all those who want to learn about the practical application of homoeopathy in skin diseases.
