With infidelity behind them, Tai's marriage to her pastor husband, King, is stronger than ever. Even when King's ex-lover, Tootie, comes back to town, Tai keeps her cool. . .until she hears Tootie has a teenage son no one knew existed--a son who could be King's. Tai is determined to know who the boy's father is, and enlists the help of her best friend Vivian to find out the truth. But what they discover is more than either of them ever wanted to know. Vivian must also deal with the return of her husband's former assistant, a woman who believes that if it wasn't for Vivian, she would have been first lady of Kingdom Citizens Christian Center. Millicent's back too, just in time for the marriage of Hope and Cy, the man she thought she'd be marrying. So what happens when love feels more like harried hell instead of hallelujah? There's only one way to find out. . .
