Gestalt Journal Press,U.S., United States, 2011. Paperback. Book Condition: New. New.. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Only a few teachers, thinkers, and writers among Gestalt therapists have succeeded in extending its beautiful groundbreaking theory and practice which originally appeared in Perls, Hefferline Goodman s Gestalt Therapy which published in 1951. Among this small group Jean-Marie Robine, who lives in Bordeaux, France, stands out as one of the most inventive and important figures on the current scene. Robine s special gift as a theorist is a sensibility that moves with ease from the philosopher s absorption in the task of fine-tuning concepts to the clinician s fascination with the nuances of feeling and behavior. The essays in this book illuminate one facet of Gestalt therapy after another from fresh points of view. Despite Robine s taste for the philosophical, there are passages of personal reflection alongside samples drawn from individual and group sessions, so that one comes away from the book with a sense of intimate connection between his development as a theorist and his experience as a therapist. On the Occasion of an Other is a work of value for not only the Gestalt therapists, but also for all psychotherapists who use an existential-humanistic approach in their clinical practice.
