Bunker Hill Publishing, United States, 2012. Hardback. Book Condition: New. 173 x 127 mm. Language: English . Brand New Book. Do you remember how it felt when, as a child, you first discovered some little creature or flower you'd never seen before and when, moved beyond speech, all you could manage was a breathless wow? That little whisper, that crystalline moment of pure wonder, is what *Under the Wild Ginger* is about. You can reclaim the magical in your hectic life. You'll learn how to open both your senses and your spirit to your surroundings, how to notice and celebrate the countless small miracles that await, often right under your nose. Part nature walk, part self-reflection, part spirit quest, it inspires uninhibited curiosity and enthusiasm for small things, those small, wonderful things so often hidden to first glances like the exquisite flower beneath the leaves of the wild ginger. Through his patient probing Jeffrey Willius shows us how, for each layer of our perceptual,...
