## THE LITTLE ENGINE THAT DID IT

Balboa Press, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book is about a journey. Every one of us is on a journey that leads us into a labyrinth. The roads we travel on are not always straight; they have curves, bumps, and cracks, and travel is not easy. Even so, we continue on that road, trusting that it will lead us to someplace that answers the questions we hold. Once we get there, we understand why the path was not straight. The detours that we took were our greatest learning lessons. My journey is one of self-love. Once I started to appreciate who I was, my life began to change. I stopped pushing against my brick wall, which was, in my case, being born with cerebral palsy and fighting it for as long as I can remember. Accepting that I have cerebral palsy has enabled my life to evolve; I became humble and empowered and began to understand love. What is your journey? Has it been a straight road or a meandering one? Reflect on that for a moment. See your truth as you read through the pages of this book, and find your aha moment to lead you to your own empowerment.
