National Geographic Children's Books. Hardcover. Book Condition: New. Hardcover. 96 pages. Dimensions: 11.0in. x 9.4in. x 0.5in. With a dramatic first-person narrative and close-up photography that brings kids into the thick of the action, National Geographic photographer Robert B. Haas gives us a rare glimpse into the struggles for survival in the African wilderness. We accompany him in his jeep, camera primed and ready to react. With stories and photographs that portray actual events, we wait patiently to spot leopard cubs coming out of their cave to play; we are charged by protective adult elephants who surround a new-born; we move side-by-side with a clan of wild dogs as they hunt impalas. All the stories in the book are intimate, engaging, and true. Haas shares his work with readers, teaching the key lessons that all wildlife photographers live by: patience, persistence, and an intense interest in animals. When we are out there, we are working inside a world that is both fascinating and historic. This beautiful and inviting book draws readers into Haas's passion for Africa, for conservation, and for finding harmony between the actions of humans and the survival of wild animals. *African Critters* is a wonderful holiday gift for animal lovers of all ages, a valuable sourcebook for school reports, and an essential addition to any animal book collection. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
