The City s revenue is carefully spent. That the members of the City Council and the other city officials do a great amount of work is evidenced by the many meetings of committees in the City Hall. Obviously, it is extremely difficult for them to find the time or to get far enough away from their immediate problems to obtain the perspective needed to plan broadly for the future development of the city. It was to fill this need that the State Legislature in its wisdom provided for the creation of City Plan Commissions. According to the statutes of 1913 it is the duty of such a commission to prepare a plan for the systematic and future development of the city. Detached from the daily routine, without prejudice or bias, with no other demands on its time, this commission is in an ideal position to plan with vision for the future. The City Plan Commission does not usurp or duplicate any of the functions of any existing city official, but rather it acts as a coordinating body to weave together into one comprehensive plan the most effective solutions of the various problems of each department. By a process of give and take it adjusts the various elements into a unified City Plan. With the help of its consulting engineers, the East Orange Commission has applied the best modern scientific methods to the study of every phase of its plan. They have made a...
